ST. MARK'S UNITED METHODIST CAPITAL CAMPAIGN 2011

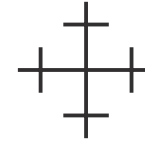

BACKGROUND

In 1985, a small group of Christians made the bold decision to move the home of St. Mark's United Methodist Church from Midlothian Turnpike to a new facility on Lucks Lane. These founding families stepped out in faith to secure the future of their congregation & the growth of God's Kingdom on earth. The time has come for us to follow this bold example & take the next step in securing the future of our congregation. God has blessed us with expanded facilities through which we have tremendous opportunities to share His love with others.

**"For I know the plans I have for you," declares the LORD,
"plans to prosper you and not to harm you,
plans to give you hope and a future." Jeremiah 29:11**

But our beautiful facility needs our help. The Board of Trustees recently issued a report detailing the maintenance & replacement costs that we expect to incur over the next 10 years. As you can imagine, the cost is significant. As our operating budget is stretched to the maximum with ministry expenditures, our only choice is to raise additional monies to cover the required infrastructure costs. Toward this end, we have launched the capital campaign:

KEEPING THE FAITH, SECURING OUR FUTURE

CAMPAIGN GOALS

- Reaffirming our facility for the glory of God and the ministry of Jesus Christ
- Raise \$1,000,000

*\$650,000 repair & replacement costs
\$350,000 to pay off one of our mortgages*

Reducing our debt will allow us to redirect approximately \$30,000 per year from mortgage payments to ministry growth!
